

Visiting Eritrean nationals from the Dutch cities of Leiden and Rotterdam lauded the impressive development achievements in the Homeland.

Asmara, 24 July 2010 – Visiting Eritrean nationals from the Dutch cities of Leiden and Rotterdam lauded the impressive development achievements in the Homeland.

The nationals numbering about 94 voiced such impression at a luncheon they hosted for EDF members in Senafe and its environs.

The grouped visited the College of Arts and Social Science in Adi-Keih, during which they received briefings and lauded the achievements being scored in the education sector.

The Administrator of Senafe sub-zone, Mr. Bereket Tekeste, lauded the gesture of the nationals and explained to them the development programs being implemented in the sub-zone.
