

The representatives of the National Union of Eritrean Women (NUEW) branch in England reiterated readiness to back-up the national development drive. They made these remarks during their visit to the construction of Women's Training Center in Mendefera at a cost of over 20 million Nakfa.

Mendefera, 12 August 2010 – The representatives of the National Union of Eritrean Women (NUEW) branch in England reiterated readiness to back-up the national development drive. They made these remarks during their visit to the construction of Women's Training Center in Mendefera at a cost of over 20 million Nakfa.

In the course of their visit to Center which is being constructed by the Debwin Construction Company, the inhabitants of Adi-Wegri and Adi-Bari accorded them warm welcome.

The Administrator of Southern region, Mr. Mustofa Nurhussien also commended the initiative taken by the NUEW branch in England.

The construction of the training center comprising over 20 rooms is aimed at equipping women with the necessary skills to become self-supporting.
