

Eritrean Police gives training course to staff members

Friday, 13 August 2010 10:58

The Eritrean Police gave training course to 24 staff members on the overall police academy and police traffic activities in particular.

Asmara, 13 August 2010 - The Eritrean Police gave training course to 24 staff members on the overall police academy and police traffic activities in particular.

The training offered at Dekemhare Training Center focused on law and regulations of road traffic, supervision and punishment of traffic violations, traffic accident investigation, receiving reports regarding law violation and traffic accidents, criminal law, public relations, code of ethics, narcotics and marching parade, among others.

Speaking at the graduation ceremony, the commander of the Center, Col. Kaleab Zerai, called on the trainees to deepen their newly acquired knowledge through practice, besides working diligently in ensuring traffic safety.
