

Nationals who are working as fluid transport association in Saudi Arabia voiced readiness to back up the national development drive. They made the pledge in connection with the Association's 15th conference in Jeddah city.

Asmara, 30 October 2012 – Nationals who are working as fluid transport association in Saudi Arabia voiced readiness to back up the national development drive. They made the pledge in connection with the Association's 15th conference in Jeddah city.

The nationals further assessed the accomplishments of the Association, and mapped out strategic plan that would further strengthen the merits of the service it is rendering. They also conducted discussion as regards how they could enhance participation in the nation-building process.
