

Potable water supply facility put in place in Debaisima

Saturday, 10 November 2012 10:01

Potable water supply facility has been put in place in Debaisima Administrative area, Southern Denkalia sub-zone.

Assab, 10 November 2012 – Potable water supply facility has been put in place in Debaisima Administrative area, Southern Denkalia sub-zone.

Mr. Kibrom Nir'ayo, head of administration and finance in the Southern Red Sea regional Administration, said that the availability of such facility attests to the government's commitment to promote rural development, and called on the inhabitants to practice prudent utilization of the facility. Mr. Zerai Berhe, Administrator of Southern Denkalia sub-zone, equally called on the inhabitants to adhere to sanitary approaches of water handling.

Among the inhabitants, Mr. Abdalla Ahmed, Ms. Kuhla Ibrahim, Mr. Ali Ahmed and Ms. Momina Budi voiced satisfaction with the facility, and said that they would utilize it judiciously.

Debaisima village is located some 57 Km. south of the port city of Assab.
