

The inhabitants of Dob'at village, Hagaz sub-zone, voiced satisfaction with potable water supply. They pointed out that they used to travel for one hour to fetch water, which task has presently become a matter of few minutes' walk. Hagaz, 15 December 2012 – The inhabitants of Dob'at village, Hagaz sub-zone, voiced satisfaction with potable water supply. They pointed out that they used to travel for one hour to fetch water, which task has presently become a matter of few minutes' walk.

Among the inhabitants, Mr. Meshabir Michele, Ms. Rozina Michael, Mr. Dernas Musa and Mr. Ms. Ametehans Debesai commended the government's commitment to rural development, and explained that they have been participating in renovating the facility.

Dob'at village is located some 6 Km. from Hagaz semi-urban center, along Gilass-Ashera road.
