

School directors and teachers in Agordat sub-zone called on parents to enhance their role in the teaching-learning process. Agordat, 25 December 2012 – School directors and teachers in Agordat sub-zone called on parents to enhance their role in the teaching-learning process.

Mr. Minasie Kidane, director of the High School in Agordat city, explained that school registration has shown a 10% growth, and that additional endeavors are required on the part of teachers and parents so as to ensure more gratifying accomplishment to this end.

Among students, Diana Kidane, Abdu Yunus and Abraham Kidane indicated that students in the school have been demonstrating good performance in their academic pursuit, and lauded their teachers' commitment to their career.
