

The Ministry of Trade and Industry has called on citizen entrepreneurs to become beneficiaries of the investment prospects in the industry sector.

Asmara, 26 December 2012 – The Ministry of Trade and Industry has called on citizen entrepreneurs to become beneficiaries of the investment prospects in the industry sector.

Giving an elaboration as regards the paper he presented at the Second National Investment Conference, the Minister of Trade and Industry, Mr. Estifanos Habte, disclosed that Asmara Brewery, Red Sea Bottlers Share Company, Asmara Milk Factory, Alfa Food Factory, Dekemhare Pasta Factory, the Children's Food Factory in Dekemhare, Red Sea Food Products and Red Sea General Mills are among the companies to be transferred to private ownership on the basis of shares and sole proprietorship.

Moreover, the Minister explained that the investment prospects in the country are potentially crucial as regards drawing foreign currency, fostering exports, creating job opportunities and acquiring marketing experience at international level.

There would be more investment opportunities in the domains of agricultural industry, infrastructural equipment production, marine resource and

Ministry of Industry, Trade and Consumer Protection has announced that it has started to support citizen entrepreneurs in the industry sector.

The Ministry aims to support citizen entrepreneurs and to ensure that they can benefit from the investment opportunities in the industry sector, which is one of the main pillars of the national development strategy.
