

Health personnel in Hagaz semi-urban center said that drug shops have ensured better supply of drugs. Mr. Haile Bereketeab and Mr. Michael Gebreamlak, drug shop owners, and Osman Yegin, Associate Nurse, explained that they are working in collaboration with health institutions, and that the community's awareness regarding health issues is generally on the rise.

Hagaz, 29 December 2012 – Health personnel in Hagaz semi-urban center said that drug shops have ensured better supply of drugs.

Mr. Haile Bereketeab and Mr. Michael Gebreamlak, drug shop owners, and Osman Yegin, Associate Nurse, explained that they are working in collaboration with health institutions, and that the community's awareness regarding health issues is generally on the rise. They further indicated that 90% of their drug supplies are obtained from Azel Pharmaceutical Company.

Meanwhile, a number of residents of the semi-urban center expressed satisfaction with the service the drug shops are rendering.
