

The Education Ministry's branch in Gash-Barka region has called on pertinent bodies to enhance integrated endeavors regarding reinforcement of the teaching-learning process. It made the call at an assessment meeting conducted in Barentu city, in which junior education was mainly targeted vis-à-vis this year's General Examination results.

Barentu, 31 December 2012 – The Education Ministry's branch in Gash-Barka region has called on pertinent bodies to enhance integrated endeavors regarding reinforcement of the teaching-learning process. It made the call at an assessment meeting conducted in Barentu city, in which junior education was mainly targeted vis-à-vis this year's General Examination results.

Mr. Mohammed-Ali Ibrahim, head of the branch office, said that the opening of numerous schools in remote areas attests to the substantial
