Agordat, 19 April 2010 - The head of Agordat town development, Mr. Idris Ferej, called on owners of establishments to pay tax on time, as such revenue is channeled for the benefit of the people and the nation.

In a meeting with town residents regarding trading activities, he highlighted the paramount importance of paying tax in reinforcing development programs. In this connection, Mr. Idris urged members of the business community to properly pay government tax on time.

He also called on the general public to promote sound ecology through planting tree seedlings, besides maintaining the charm of the town.

The participants of the meeting adopted a number of resolutions and recommendations, including the need to prepare a master plan for Agordat and renovate the sewage canal in the town.
