

Keren, 29 April 2010 - Farmers in Anseba region, especially those engaged in fruits and vegetables activities voiced readiness to strengthen organizational capacity, and thereby step up contribution towards achieving food security. About 200 farmers from the whole region emphasized the importance of strong organization so as to effectively cope with various challenges. The Administrator of Anseba region, Mr. Gergis Girmai, emphasized the paramount importance of applying modern facilities in farming undertakings.

The head of the Agriculture Ministry's branch office in the region, Mr. Jabir Ahmed, on his part called on the farming community in the region to strive for satisfactory harvest.
