

Families of martyrs in Metera administrative area, Senafe sub-zone, expressed satisfaction with the continued support and care being extended by the Government and the people.

Senafe, 12 June 2010 - Families of martyrs in Metera administrative area, Senafe sub-zone, expressed satisfaction with the continued support and care being extended by the Government and the people.

A father of two martyrs, Keshi Araya Gebreslasie, stated that the vigorous endeavors being made by the people and the Government to improve the living standard of families of fallen heroes fully attest to their commitment to honor the trust of martyrs.

A wife of a martyred national, Mrs. Fatuma Omeredin, said on her part that the money being paid in benefit scheme to martyrs of fallen heroes is bringing about noticeable improvement in their life style. She also expressed satisfaction with the continued assistance being extended on the part of the people in the form of labor, material and money.

Likewise, Mrs. Zewudi Tesfu, a mother of 3 martyrs, stated that she has managed to construct a residential house out of the assistance extended by the people and the Government. She also expressed pride over the martyrdom of her 3 offspring.

A daughter of another martyr, Tsinat Tekle, explained that she has managed to properly follow her vocational education thanks to the support being extended by the Government and the Eritrean people inside the country and abroad.

Meanwhile, various agricultural activities would be carried out through popular campaign in support of families of fallen heroes in Metera administrative area, according to reports.
