

Eritrean citizens residing in the Scandinavian countries extended 1000 glass-made candle holders for the commemorative event of Martyrs Day, according to the National Holidays Coordinating Committee.

Asmara, 18 June 2010 - Eritrean citizens residing in the Scandinavian countries extended 1000 glass-made candle holders for the commemorative event of Martyrs Day, according to the National Holidays Coordinating Committee.

Reports indicated that the devices have already been distributed to all the administrative regions and that the ones allocated for the Central region are available in the streets of Asmara city.

The nationals disbursed over 230,000 crooners to this end.
