

Inhabitants Of Adi-Shegala Obtain Potable Water Supply

Thursday, 24 June 2010 09:31

The inhabitants of Adi-Shegala, Golij sub-zone, are obtaining reliable potable water supply, Mr. Abubeker Osman, Administrator of the area, disclosed.

Golij, 24 June 2010 - The inhabitants of Adi-Shegala, Golij sub-zone, are obtaining reliable potable water supply, Mr. Abubeker Osman, Administrator of the area, disclosed.

Pointing out that they used to resort to water supply that was not up to standard, he said that as a result of a newly constructed reservoir with a capacity of holding 500 barrels, the problem has been overcome. Moreover, 4 water stations and two solar water wells including a well for livestock have been put in place.

The administrative area of Adi-Shegala is located 30 Km. east of Golij town.
